

NORTH BELFAST VICARIATE

Your parish is where you live.

Sometimes people hanker after the parish they came from and think that where they were baptised or confirmed is their parish; but it's much simpler than that: it's where you live.

A [vicariate](#) is a cluster of neighbouring parishes. The priests in the vicariate parishes meet regularly to plan for the future, to share ideas and resources and to offer support to one another.

Here in Sacred Heart, our parish covers the Bone, the Oldpark and the Cliftonville and our neighbouring parishes are: Holy Cross, Ardoyne, St Vincent de Paul, Ligoniel, Holy Family and Saint Patrick's.

Together these 5 parishes make up the North Belfast Vicariate and we seek to work together for the people of our parishes. For example during the summer the Mass Times for each of the parishes were posted to provide a variety of opportunities for you our parishioners; as is done with the Penitential Services before Christmas and Easter that enable you to go to Confessions before these great feasts.

Over the coming weeks we hope to explain how we wish to serve you in helping with the provision we make for you with regards to the

celebration of Baptisms, Marriages and Funerals within your own parish, and the preparation for these – so watch this space.

The information which follows gives you the name of the Administrator or Parish Priest, contacts and Mass times (Vigils and Sundays)
